

TO THE GREAT TEAM AT CGI -
MANY THANKS FOR THE FANTASTIC HUBBLE SUPPORT! *Steve Satt*

When Precision Counts You Can Count on CGI

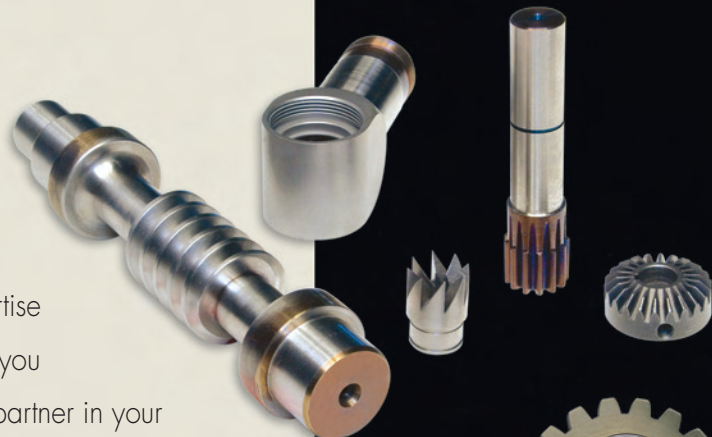

At CGI you'll discover an attention to detail that is...well, out of this world.

You can count on us to provide the highest levels of manufacturing capability and expertise while delivering it with the customer service you deserve. Our goal is to be the most trusted partner in your supply chain.

Since 1967, CGI has consistently been providing for its customers exceptional craftsmanship and outstanding customer service. This unwavering commitment is what makes CGI the reliable choice for precision components and sub-assemblies.

If you're looking for precision, reliability and rapid turnarounds then contact us today.
